| 11. Air Quality | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 12. Other | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

Purpose of Inspection:

This is a routine inspection.

Inspection Summary:

Information on claim posts show that the site was active in 2008. Based on photographs of the site little if any activity has occurred in the past year. The road to the site was block so access is by foot. No bond is posted for the site. Small amounts of trash were on the site, old barrels.

Conclusions and Recommendations:

The Operator must post a bond.

Inspector's Signature Wayne Western
